

## 9 month old Developmental Assessment

Please tell us what your child can do. If you aren't sure, try it! Use the pictures if they help. If you need more help, ask us!

When you try these with your child, please say, "Good trying" or "way to go" even if it's not right. Please use the markers we gave you to fill the boxes (not pens or pencils) You child should use our markers too!

---
